Although our past lives set the tone for this current life, the conditions and direction of this life are **not set in stone**. This program is designed to give you a road map to your subconscious mind & your soul history, as well as ways to create real and lasting change to your current life. Using personal exercises, guided imagery, insights from the Edgar Cayce readings, group regressions, and self-hypnosis, you will be safely guided on a journey to your unique past.

During this experiential program you will:

- *Learn how to transform your mind, heart and body and life your soul to higher levels of awareness.*
- *Experience a past life regression;*
- *Discover how your soul's history has imprinted your personal present;*
- *Find the source of your motivations, as well as any emotional blockages from your past;*
- *Learn how to tap into the co-creative power of your subconscious mind;*
- *Have an opportunity to heal any "soul bruises";*
- *Reframe current life issues to create positive outcomes and behaviors;*
- *Combine hands-on healing with the power of suggestion to help bring about spontaneous healing;*
- *Find out how to write – or rewrite – your own life script;*
- *Discover the power of your own voice's vibration;*
